Welcome to Our Restaurant!

“How should things be for the host and the guest of honor?”

That is the question we at Cinelli's ask ourselves before every party celebrated in our beautiful restaurant.

We consider the joyful experience and memory the host is gifting to the guest of honor. And we look to inspire confidence and pride in the host when we cater an event that will very certainly meet, and often exceed, expectations.

Our dining room is elegant and impeccable. Our staff is professional and capable. And our chefs... immensely talented.

People come to the dining room at Cinelli's with familiarity and confidence in the taste and quality of the food they have been enjoying for 30 years. That is the testament to the talents of our culinary team that we stand by.

So, please, if you have an event you wish to celebrate, come to the Cinelli's Dining Room where you will confidently turn your special occasion into a delightful, memorable experience.
